***Allowable Subject Matter***

Claims 1, & 3-10 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding Claim 1, the prior art does not teach or suggest a light guide member comprising a reflecting face, an incident face spaced apart from said incident face wherein the reflecting face comprises grooves constructed by a first face having an inclination angle between 1 and 10 degrees and a second face having an inclination angle between 41 and 45 degrees where both angles are measured with respect to the emitting face.

Regarding Claim 8, the prior art does not teach or suggest a light guide comprising a an annular emitting face formed in said light guide body and emitting said light from an area surrounded said light guide body toward an outside and a reflecting face having many grooves formed in the inner circumference of said light guide body for reflecting the light introduced from said incident face toward said emitting face.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
